

HOW TO PRINT & SIGN A DOCUMENT IN DOCUSIGN

This job aid walks through the Print & Sign wet signature option in DocuSign.

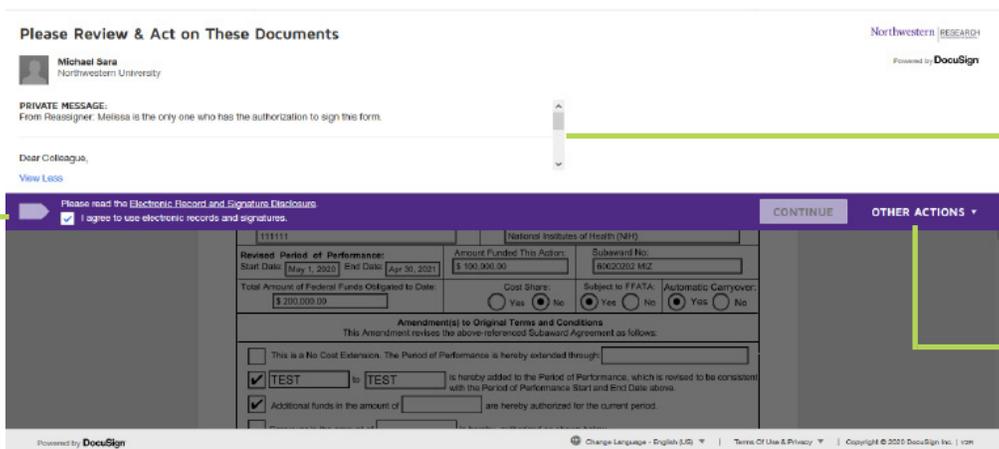

You'll receive an email notification when a document has been sent for your signature.

DocuSign

To begin, click **Review Document**.

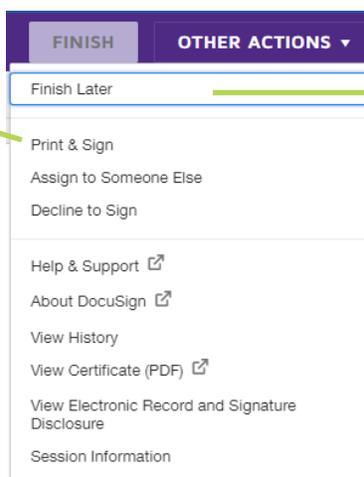

The **Electronic Records and Signature Disclosure** must be agreed to in order to continue.

Use the scroll bar to read the email message from Northwestern OSR.

Click the **Other Actions** menu to proceed.

In the Other Actions menu, select **Print & Sign**.

OPTIONAL: If changes need to be made to the document before signature, click **Finish Later**. Then email the requested changes to the OSR Grants Officer who sent the document.

Stop for now. You can restart the signature process after you receive a revised document from your OSR Grants Officer.
